

They Spit in His Face

By David J. Stewart

"Then did they spit in his face, and buffeted him; and others smote him with the palms of their hands" (Matthew 26:67).

As I was reading the Scriptures the other day, a phrase in Matthew 26:67 grasped me... "They spit in his face." I couldn't help but think how we, as Americans, have woefully treated God as a nation.

In return for all the wonderful blessings which God has bestowed upon America, we have spit in God's face by legalizing abortion, fornication, pornography, gambling casinos, witchcraft, and now homosexuality. We have spit in God's face by teaching Godless evolution to public school children. We have spit in God's face by naming one of our largest cities, "Sin City"! We have spit in God's face by honoring witchcraft in Salem, Massachusetts. We have spit in God's face by making Trinidad, Colorado the sex-change capital of the United States. Woe unto America!

Jesus said in Luke 18:8, "...Nevertheless when the Son of man cometh, *shall he find faith on the earth?*" There is little faith nowadays in the God of the Bible. We are living in the Last Days, when knowledge is increasing exponentially and men are rushing about the earth... "*But thou, O Daniel, shut up the words, and seal the book, even to the time of the end: many shall run to and fro, and knowledge shall be increased*" (Daniel 12:4). I certainly believe that the Lord's return is very near.

Jewish Hates Crimes Against Christians

The Jewish *American Defamation League* (ADL) would go ballistic if someone produced a show called "Good Jewish Bitches," but that is exactly what the Jews have done toward Christians. The new sitcom TV series called 'GCB' (Good Christian Bitches) debuted on March 4, 2012 on ABC television. It's ok to slander and blaspheme Christians in America, but not Jews nor Muslims. The Jewish ADL doesn't say a word when Christians are attacked, because the director of programming at ABC is Jewish.

Nearly every [Hollywood movie today curses in God's name](#), blaspheming the holy name of Jesus Christ. [Jewish comedian Sarah Silverman](#) says...

“Good! I hope the Jews did kill Christ, I'd do it again. I'd F*cking do it again in a second!”

—Jewish comedian, Sarah Silverman, [Jesus is Magic](#); 72-minute movie, 2006

Christians are so hated amongst Talmud Jews that they're spitting on them in Israel still today, just as [they spat in Jesus' face](#). [Christians In Jerusalem Want Jews To Stop Spitting On Them](#) (literally). [Nearly all TV networks are owned by Jews who exploit teen girls for profits](#). They have no respect for Christians. The Disney corporation is of the Devil. They'd never produce a show called “Good Muslim Bitches.” It would NEVER happen! But they can degrade Christian women and no one gets angry. What's wrong with our churches today? Americans have lost their faith in God, trusting instead in the government to care for them...

Unbelieving Jews are still spitting on Christians today 2,000 years later...

The 'Gay Agenda' Spits on Jesus!

Anyone who supports ["the gay agenda"](#) is spitting in God's face. All across America within the public school system, a diabolical plot is being carried out to homosexualize children. It is now becoming standard public school curriculum for teachers to seek to gain sympathize amongst students for homosexuals. Homosexuals are portrayed as victims of bigotry and hatred, and Bible-believing Christians are made to look like villains in the eyes of children for not loving and accepting homosexuals in society. Anyone who supports the gay agenda is spitting in God's face! Any professed Christian who remains silent about such wickedness in society is spitting in God's face! The Bible condemns homosexuality in every form as gross sin, an abomination unto God (Leviticus 20:13; Romans 1:22-32; 1st Corinthians 6:9; Jude 1:7).

Few parents realize that Karl Marx's *Communist Manifesto* (see [the 10th Plank](#)) called for a public school system (the purpose for which was to allow the government to indoctrinate children). The homosexual agenda is an embarrassment to the American people... "Righteousness exalteth a nation: **but sin is a reproach to any people**" (Proverb 14:34). Here's an eye-opening article from *World News Daily*...

'Gay' pedophilia and Obama

By Linda Harvey | October 20, 2008

I'd been wondering what Kevin Jennings was doing these days. Jennings is the founder and long-time head of the radical homosexual group GLSEN, the Gay, Lesbian and Straight Education Network. GLSEN's mission has been to plant "gay" clubs and training programs in as many schools as possible. GLSEN now claims 4,000 "gay-straight alliances" exist, although this number is doubtful.

Certainly, there are way too many. The group's target has been to place these clubs in all U.S. schools, K through 12. If you think a kindergartener signing up for a "gay" club is ludicrous, you are not alone.

But Jennings has moved on to better things. He's now the Obama campaign fundraising co-chair for the "LGBT" community - that's "lesbian, gay, bisexual and transgendered." You can listen to Jennings lay out the rights-oriented rhetoric in two interviews with Joe Solmonese of the Human Rights Campaign, on the website ["LGBT for Obama."](#)

Their conversation, reviewing Jennings' record, dwells on preventing bullying of "gay" kids. Jennings constructed this Trojan horse for access to schools despite the ability of every community to punish school bullying without accommodating the "gay" agenda. This smokescreen hides the pornographic reality of GLSEN's "support" for kids under Jennings' leadership.

[Remember the book "Queering Elementary Education,"](#) with the gushing blurb on the back from Obama's radical "social justice" colleague Bill Ayers? Well, the same book has a foreword written by Jennings. In researching GLSEN over the years, I've found horrific elements of what can only be called child sexual corruption. The more closely one reads the GLSEN material, the worse it gets.

Just about every type of sexual practice imaginable is apparently acceptable and even worthy of "celebration" by any age student or teacher as far as GLSEN is concerned. GLSEN also supports gender-distortion through cross-dressing, even for elementary school children.

Is this the kind of "school reform" Obama has in mind?

Some of GLSEN's recommended reading material implicitly condones criminal sexual contact between adults with minors. Many such incidents are described in erotic and nostalgic passages. I've yet to see "warnings" about the episodes in these books, which surely mislead thousands of vulnerable kids. I wrote in detail about what I will share below in 2002, yet the books in question, and many more just as objectionable, are still offered by GLSEN for sale [on its site](#).

The problem starts with Jennings' own writings in books like "One Teacher In 10." Jennings' dream world is one where openly "gay" teachers serve as role models who influence students' sexual conduct. In the first edition of this book, Jennings, a former teacher, relates his encounter with a homosexually inclined male student:

Toward the end of my first year, during the spring of 1988, Brewster appeared in my office in the tow of one of my advisees ... to whom I had been "out" for a long time. "Brewster has something he needs to talk with you about," she intoned ominously. ... On a hunch, I suddenly asked, "What's his name?" Brewster's eyes widened briefly, and then out spilled a story about his involvement with an older man he had met in Boston. I listened, sympathized, offered advice. He left my office with a smile on his face. ... ("One Teacher in 10: Gay and Lesbian Educators tell their Stories," Alyson Publications, 1994.)

What did Jennings recommend to Brewster that brought a smile to his face? It sounds like he affirmed this teen/adult homosexual relationship, instead of contacting the boy's parents or the authorities. Is this just the kind of wisdom we hope Obama consultants use in formulating education policy? Child predators as implementers of "social justice," perhaps?

The book "Growing Up Gay/Growing Up Lesbian," recommended on the GLSEN website for kids in grades seven to 12, describes two 10-year-old boys in a very graphic sexual encounter (pp.99-100). In the same book, an adult man named Eliot reflects on his youth:

"My first experience was with a much older man, a friend of Derek's [his father]. ... When I was 15, he must have been 29, 30 ... I seduced him. ... It was a wild night. We did everything."

This is the dearest fantasy of pedophiles and pederasts - the pretense that the youth seduces them.

Another GLSEN recommended book, "Rainbow Boys," features an episode of homosexual sex between one of the main characters, a 17-year-old boy, and a 29-year-old man he has just met via the Internet (p. 148). Again, a great

influence for kids.

Fluid sexual activity and homosexual experimentation is another common theme in GLSEN-recommended books. "My sexuality is as fluid, infinite, undefinable, and ever-changing as the north-flowing river. ... Sexuality is not black or white ... it is gray. ... I know that defining myself is not so simple. ..." writes a 16-year-old in "Revolutionary Voices : A Multicultural Queer Youth Anthology" (p.167).

Another girl writes in the same book: "I am a 15-year-old dyke artist and activist. I've got flaming pink hair and a passion for genderf-k in both directions" (p. 28).

I could go on and on, unfortunately. The GLSEN "Book Link" introduction states that the selections are recommended to "... empower our mission to ensure safe schools for all LGBT students."

So finally, then, this is what is meant by "safe schools": lots of weird, early sex by kids, some of it with adults.

Obama needs to remove Kevin Jennings immediately from this position. And voters need some answers to the following questions:

- Does Obama believe children are "born gay" and should be able to declare this identity in grade school and join a "gay" club? Kevin Jennings does.
- Does Obama believe consensual relationships between 15-year-olds and 29-nine-year-olds are OK? Jennings thinks so. (Some think Planned Parenthood does, too - another question for Obama.)
- Does Obama believe a "safe" school is one where no one can criticize homosexual behavior? Jennings does.
- Does Obama believe that, with the CDC reporting HIV rates rising around 12 percent per year for 13 to 24-year-old males who have sex with males (MSM), we still cannot tell our boys to abstain from homosexual behavior? Will he appoint clueless federal health officials? Kevin Jennings would approve.
- Does Obama believe kids can decide at age 9 or 10 that they were born in the wrong body, want to switch genders and have schools support this disorder? Jennings does.
- Does Obama believe the Christian moral standard that homosexuality is wrong needs to be suppressed and depicted as "hateful" in the public square, including schools? Jennings does.
- Does Obama believe that if same-sex "marriage" is legalized, this

new "law" should be shoved down the throats of all children and their parents via social engineering in public schools? Jennings does.

- Does Obama believe that "social justice" and "school reform" require students to not just tolerate, but approve of homosexuality and gender change? That the "yuck" factor simply will not be allowed, because it reflects bigotry? Jennings does.

If we want a totalitarian, pansexual society, with its accompanying disease, dysfunction and abuse, and no room for nobility, goodness and tradition, then we need to make sure we vote for Obama with all his various revolutionary hangers-on, including Jennings.

If, on the other hand, we envision another America, it's time to speak up now.

SOURCE: 'Gay' pedophilia and Obama

The homosexual agenda is synonymous with pedophilia, evidenced by over 12,000 sexual abuse cases since 1950 within the Catholic Church, whose priesthood is saturated with homosexuals! Tragically, not only was Barack Obama elected as the next U.S. President in November of 2008, he is a known COMMUNIST. I was sickened after the election to see Communists waving their flags in joy. Communism is of the Devil and has ultimately ALWAYS led to societies' ruin. Homosexuality is morally reprehensible, it is a horrible sin which the Bible condemns, and anyone who says otherwise is changing the truth of God into a lie (Romans 1:25).

Things have gotten so out-of-whack in America that Chicago is getting ready to open a school for homosexuals...

(CNN) — Public school officials in Chicago, Illinois, are recommending approval of a "gay-friendly" high school because harassment and violence are causing gay students to skip class and drop out at alarming rates.

LGBT (Lesbian Gay Bisexual Transgendered) wrist bands. God's Word condemns homosexuality as a horrible sin that brings the wrath and judgment of God (Romans 1:32).

The School for Social Justice Pride Campus, which officials say will not be exclusive to lesbian, gay, bisexual and transgender students, is aimed at being safe and welcoming for any student looking for another school option, said Josh Edelman, executive officer in the Chicago Public Schools' Office of New Schools.

"It is not going to be a 'gay high school,' but yes, in a way, it is meant to target kids who feel they have been victims of bullying for their sexual orientation or perceived orientation,"

Edelman said.

Chicago Public Schools CEO Arne Duncan announced his recommendation Wednesday. Officials said Pride Campus would be separate physically but be attached administratively to the School for Social Justice...

Gay and lesbian students are three times more likely to miss school because they feel unsafe, according to a 2003 Chicago Public School District survey. And a study released Wednesday by the Gay, Lesbian and Straight Education Network showed similar trends across the country.

The national study, which the group says is the most comprehensive report ever on the experiences of lesbian, gay, bisexual and transgender students nationwide, found that 86.2 percent of those students reported being verbally harassed, 44.1 percent physically harassed and 22.1 percent physically assaulted at school in the past year because of their sexual orientation...

Dropout levels are higher among lesbian, gay, bisexual and transgender students because of more frequent truancy, the study found. Almost 32 percent of those students missed a class because of feeling unsafe, compared with only 5.5 percent of heterosexual students nationwide, the study said.

Truancy and lower grades aren't the only repercussions of anti-gay sentiments in schools, said Kevin Jennings, the founder and executive director of GLSEN. He cited the killing of Lawrence King, a 15-year-old student shot by a classmate in Oxnard, California, in February after King asked to be his valentine.

Jennings said the repercussions of harassment alone underscore the need for Pride Campus.

"If we keep doing nothing, we are going to keep getting these horrifying levels of harassment, greater rates of skipping, not going to college and more tragic violence like the murder of Lawrence King," he said. "Those are our choices. We can continue to do nothing, and we know the results, or we can save young people's lives and offer them an education and a future."

A similar school in New York, the Harvey Milk High School in the East Village, was created because of similar fears.

The school, which had been around since 1985, serving gay and lesbian students, expanded to a "gay-themed" school for 100 students in 2003. The Pride Campus is expected to serve 600 students, school officials said.

Harvey Milk High School, like the Pride Campus, is open to all students regardless of sexual orientation. But unlike the proposed school in Chicago,

Harvey Milk requires its attendees to be at risk of dropping out because of harassment...

The most important factor, according to the GLSEN study, is the existence of a state law that protects students from harassment based on their sexual orientation.

Thirty-nine states, including Illinois and New York, do not have laws offering that specific protection, Jennings said citing the GLSEN study. Some have laws, but they don't specify on what basis the protections apply, which Jennings said was essentially as effective as having no law at all. California, Connecticut, Iowa, Maine, Maryland, Massachusetts, Minnesota, New Jersey, Vermont, Washington and Wisconsin are the only states with specific sexual orientation protections for students...

It's just sickening. What a bunch of liars! This tactic is as old as history itself. Anytime you want to make something happen, you create a boogiemán to get everyone riled up about an issue. Back in the 1970's it was the abortionists crying out about women using coat-hangers to give themselves abortions in back alleys (although not one such incident has ever been recorded). The Bush Administration used this tactic to justify attacking and conquering Iraq, accusing them of having *Weapons of Mass Destruction* (although none have ever been found). And now the homosexual community (the cowards that they are) are using the same tactic, portraying themselves as victims of "horrifying levels of harassment" as claims Kevin Jennings (founded of the sicko [GLSEN](#) group).

In reality it's the other way around. It is normal and decent heterosexual people who are being harassed by the God-hating, perverted, warped, uncouth, mentally disturbed, homosexuals of society. They are a distasteful bunch to say the least, and always will be. God will cast them into the Lake of Fire (1st Corinthians 6:9; Revelation 21:8). God doesn't want anyone to go to Hell (2nd Peter 3:9); but that's where the wicked who forget God end up... *"The wicked shall be turned into hell, and all the nations that forget God"* (Psalm 9:17).

The Communist Subversion of America's Kids!

That's just sick! Have they no shame at [GLSEN](#)? Can you imagine, trying to teach Ronald that it's ok to stick something in Timmy's backside? ...or that it's ok for a boy to become a girl? What has American society deteriorated to? And now we have a [Communist U.S. President](#)! It is tragic. Any honest child knows that God created Adam and Eve; not Adam and Steve. GLSEN are a bunch of sickos!

Listen to what Joseph Stalin, a brutal mass-murdering Communist, said:

"Education is a weapon, whose effect depends on who holds it

in his hands and at whom it is aimed."

—Communist dictator, Joseph Stalin (1934)

The only sure way to protect your child is to either homeschool your child or enroll them into a private school which doesn't homosexualize children. At a minimum, continually teach your kids the truth, i.e., that **homosexuality is a sin that brings the wrath and judgment of God (Romans 1:32)**.

Professed Christians who Spit on Jesus

In these Last Days, even professed believers are spitting in Jesus' precious face. The New International Version [NIV] of the Bible is the worst publication ever printed, even worse than *The Satanic Bible*! We all know where *The Satanic Bible* stands, i.e., it is of the Devil. However, the deceivers who put the NIV together falsely claim that it is God's holy Word. The NIV diminishes Jesus' deity, removes the Godhead completely, teaches the *Lordship Salvation* heresy and removes the name above every other name, Jesus, in 38 places!!! Woe unto Zondervan and Harper Collins! Sadly, the NIV is the Bible of choice in today's apostate churches.

"And they smote him on the head with a reed, AND DID SPIT UPON HIM, and bowing their knees worshipped him" (Mark 15:19).

Notice in Mark 15:19 that the soldiers who crucified Jesus insincerely worshipped Him, just as do millions of Americans today who have churchianity without Biblical Christianity. America's churches are filled with losers, because that's what their pastor has taught them to be. Millions of professed "Christians" aren't even saved; but "think" they are because some lying false prophet convinced them that forsaking their sinful lifestyle was required for their salvation. That is works salvation! Ray Comfort teaches this heresy.

The average believer today is woefully ignorant of the Scriptures, and has consequently instead fallen prey to the ecumenical apostasy of our time. 2nd Corinthians 6:14-17 blows ecumenism right out of the water...

"Be ye not unequally yoked together with unbelievers: for what fellowship hath righteousness with unrighteousness? and what communion hath light with darkness? And what concord hath Christ with Belial? or what part hath he that believeth with an infidel? And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people. Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you."

The Bible also commands Christians to separate from unrepentant believers who indulge in sinful living...

"But now I have written unto you not to keep company, if any man that is called a brother be a fornicator, or covetous, or an idolater, or a railer, or a drunkard, or an extortioner; with such an one no not to eat" (1st Corinthians 5:11).

But didn't Jesus eat with sinners? Yes, to befriend them with the Gospel; but He did not travel with them, condone their sinful lifestyle, nor closely associate with them.

I know a professed Christian woman who works as a public school teacher. She divorced her husband years earlier and now lives alone. Her best friend at work is a male homosexual, who is also a fellow teacher. They eat together, go places together and get along like brother and sister. Something is VERY wrong with this situation. She is spitting in Jesus' face by standing in the path of unrighteousness. The Bible commands us to separate from those who deliberately live in sin.

Perhaps no better example exists of apostasy than the so-called "Christian Rock" scene. Professed Christian group P.O.D. actually performed a Rock concert at OzzFest with infamous Satanist, Ozzy Osbourne. The *Contemporary Christian Music* [CCM] group Mercy Me spit in Jesus' face when they appeared on the homosexual-friendly *Late Night Show* with Jay Leno. The entire Christian Rock industry and everyone who is a part of it SPITS IN JESUS' FACE. It is an immoral industry of greed, wickedness and apostasy!

Christian Ministers who Spit on Jesus

"Nevertheless among the chief rulers also many believed on him; but because of the Pharisees they did not confess him, lest they should be put out of the synagogue: For they loved the praise of men more than the praise of God" (John 12:42,43).

There were Pharisees who believed on Jesus; but were unwilling to take a stand for God for fear of losing the praise of men. This same cowardliness saturates evangelical circles today in America. The average Christian minister in America is afraid of losing the praise of men, which equates to loss of revenues. Shame on them! God must come first and His Word must be preached to the world.

It is sinful how so many ministry leaders today make frequent trips to Hawaii and the Holyland; while they never lift a finger to fight against sin, contend for the Christian faith by exposing false doctrines, and cry aloud against the wickednesses of our time. Here is a lengthy list of compromised, apostate, milquetoast, ecumenical, prophets of Baal that I wouldn't give you a dime for...

Bob Bell, Doug Sager, J. Harold Smith, James Dobson, Chuck Swindoll, Charles Stanley, Alistair Begg, Dennis Rainey, Ron Stewart, Chip Ingram, Mart DeHann, Steve Brown, John MacArthur, David Jeremiah, Steve Arterburn, Sam Polson, Adrian Rogers, Chuck Bentley, Bil Gephardt, Fredrick Brabson Sr., RC Sproul, June Hunt, Hank Hanegraaff, Joni Eareckson Tada,

Billy Graham, Franklin Graham, Ray Comfort, Kirk Cameron, Paul Washer, Rick Warren, Joel Osteen, and hundreds of others.

These ministers are what's wrong with the church in America today!!! They are wishy-washy and never stick-their-neck-out for God. They don't dare offend anyone, especially their peers in the ministry. They write scores of worthless books to inoculate people from receiving genuine Christianity. They all look and act like a bunch of spoiled elites.

We need some John the Baptists in America to cry aloud against Herod's adultery (Mark 6:18)! We need some Billy Sundays to cry aloud against booze, dancing and gambling! Rise up oh Christian! Where are the men of God who hate sin and love the sinner? Where are the men of God who walk with God, and get ANGRY over the wickednesses of our society in which we live? Where are the men of God who are willing to be counted as a reject for the cause of Christ? All I see are these Shirley Temple types, girly-boys like Joel Osteen, who didn't have enough gonads on the Larry King Show to say that Christ-rejecting Jews weren't going to Heaven.

Truly the love of money is the root of all evil as 1st Timothy 6:10 warns. Joel Osteen couldn't preach his way out of a paper bag. It makes God vomit... *"I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. So then because thou art lukewarm, and neither cold nor hot, I will spue thee out of my mouth"* (Revelation 3:15,16).

I was recently looking at different contemporary ministries online, including RBC Ministries whose President is Mart DeHaan (Martin DeHaan's grandson). Sadly, they promote the NIV on their website. By looking at their ministries' webpage, you'd never get the impression that they take a stand for anything. They're just collecting donations. It makes me sick that hardly any Christians nowadays have anything negative to say about anything. What is wrong with Christians today? We are engrossed in a raging battle in America today against evil and all I see are covetous believers who want to make money through various "ministries." Everyone's got a "new" book to sell.

They're no better than the "den of thieves" Jesus condemned in Matthew 21:13. It's a shame. RBC Ministries didn't forget the "donate" button though. Doesn't any believers care that homosexuals are trying to force their sick culture upon our children? Why doesn't Mart DeHaan speak out against this rot in America? What about abortion? What about pornography? It is apostasy. They drive their new cars, and live in their big homes, and eat the best of foods, and sit idle while their brothers (like me) are on the frontlines fighting the Devil... **"Shall your brethren go to war, and shall ye sit here?"** (Numbers 32:6). Repent!

Moody Bible Institute is about as pathetic as you can get nowadays, honoring heretics like John MacArthur at their annual *Founder's Week* and teaching the heresy of *Lordship Salvation* to their students. Their female students wear immodest pants, their bookstore sells Christian Rock 'N' Roll music to the students (i.e., the Devil's music), et cetera. This is apostasy! Whatever happened to the horses and carriages

that Dwight L. Moody used to bring poor families to church in the Chicagoland area? Why no bus ministry today? Why has the *Moody Memorial Church* abandoned soulwinning? God deliver us from church-pew Christianity! The early believers in the Book of Acts DIDN'T have a church building. Their ministry was in the public streets of Jerusalem. They made people very angry with the Truth of God's Word. People either repented towards God or picked up stones to hurl at Jesus' disciples. How does this compare to the sissy-britches type evangelist/pastor today who dare not rock-the-boat to offend anyone? Offend Them!

If you're a believer, and you're sitting idle on the sidelines during the raging battle today in America against sin, then you are spitting in Jesus' holy face. Matthew 20:6, "And about the eleventh hour he [Jesus] went out, and found others standing idle, and saith unto them, **Why stand ye here all the day idle?**" Make Some Noise!

It's bad enough that the unsaved world spits on Jesus; but Christians ought not join them by warming their hands at the Devil's fire in compromise, silence and ecumenical apostasy.

"For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the LORD of hosts, that it shall leave them neither root nor branch." —Malachi 4:1
